

SPONSOR A CHILD

Life becomes much harder when a child with Type 1 Diabetes lives in poverty.

WHY SPONSOR A CHILD?

By sponsoring a child with Type 1 Diabetes you directly help save a young life by providing access to essential medical supplies and other basic components of diabetes care. This is vital for a young child with Type 1 Diabetes to survive and thrive.

WHAT DOES IT COVER?

- Equipment for blood glucose monitoring including glucometer, test strips and lancets, so your child can test his/her self a minimum of two times a day
- Essential medication (insulin and injection needles) *
- Transportation to hospital for follow-up clinic visits (3 to 4 times a year) *
- Other essential medical examinations such as HbA1c tests, eye and foot checks
- Diabetes education for your sponsored child and their families or carers*

*Subject to individual needs

COMMITMENT AND COST

- Each child can be sponsored by an individual, a couple or an organisation
- Minimum commitment of 12 months for each sponsored child
- Annual cost per child is USD 500 or the equivalent in local currency

Did you know?

Every 6 seconds a person dies from diabetes (5.0 million deaths) ¹

542,000 children under the age of 15 years have Type 1 Diabetes worldwide¹

Type 1 Diabetes is incurable but no child should die because of it. They deserve a future like every child does.

HOW DOES IT WORK?

1. Sign up as a donor using our online form, and proceed with your payment.
2. Once we receive payment confirmation, you will receive an e-welcome pack containing profile and photo of your sponsored child, followed by updates on your child's diabetes management and care, every 6 months.
3. Your donation will be managed by A4D and 100% of the fund will be used directly to cover the medication and care for your child.
4. You are welcome to write letters or emails to your child through A4D. However we only ask the children to reply if they feel able to. We will provide a translation if necessary.
5. All correspondence between you and your child will go through A4D in accordance with standard child protection requirements.
6. A reminder will be sent to you 6 weeks before your sponsorship expires. You are encouraged to continue with this vital support but you can, of course, opt to discontinue your sponsorship.

WHERE ARE THESE CHILDREN FROM?

They are from Cambodia, Laos, Myanmar, Thailand and Vietnam.
